

DAISY FUND APPLICATION INSTRUCTIONS

Big Sister Karen and Little Sister Daisy are celebrating their 30th anniversary of their friendship! In honor of that milestone, Karen has made a generous donation of \$10,000 to provide meaningful memories for Bigs and Littles throughout the region.

The Daisy Fund provides unique one-to-one opportunities for matches that otherwise wouldn't be possible. These opportunities should appeal to the interests and/or aspirations of a Little.

FOR EXAMPLE:

My Little Is Interested In:	Consider Applying To:
Sports	Attend a Tigers/Red Wings/Pistons Game
Art	Visit the Detroit Institute of Arts
Music/Performing Arts	Attend a performance in Lansing, Grand Rapids or Detroit
History	Visit the Henry Ford Museum
Science	Tour the Michigan Air Zoo

These are just some examples. We encourage you to work with your Little to come up with a truly unique and special opportunity to share. Think BIG! Funding can be used to cover tickets, admission, shopping budgets, food, gas, etc.

Daisy Fund decisions will be made based on the following criteria:

- The activity relates to your Little's interests/aspirations
- The activity strengthens the one-to-one bond between you and your Little
- The activity will be meaningful and memorable
- The activity would be difficult for you and your Little to enjoy without funding

Please also note that anyone who receives funding through the Daisy Fund must be willing to submit photos and/or videos of their experience that will be shared on BBBS posters, digital properties and social media accounts, and with the Daisy Fund donor. Additionally, you may be asked to submit a reflection of your experience.

Forms can be submitted via email to events@bbbsgreatlakesbay.org, or by mail to:
